Something fishy going on

A HISTORIC townhouse at 428 Greenwich St. in Tribeca above Michelin-starred sushi eatery Azabu is back on the market as a \$20,000-a-month rental. The five-story home, built in 1883, is 4,400 square feet with 500 square feet of exterior space. The landmarked four-bedroom, 4½-bathroom property, which was

recently gut-renovated, comes with a library, an enclosed terrace and a roof deck. There's also a new chef's kitchen. The listing brokers are Platinum Properties' **Jesse Klein** and **Constantinos Katehis**.
