### NEWS RELEASE

#### PLATINUM PROPERTIES ANNOUNCES NEW PENTHOUSE OFFERING

--Two adjacent penthouses located at 15 William Street can be sold separately or combined to make a luxe 'super-apartment'--

**New York** (APRIL 1, 2015) Platinum Properties, [www.platinumpropertiesnyc.com](http://www.platinumpropertiesnyc.com), a New York-based full service brokerage firm has announced today that it has two new PH exclusives available for sale in the FiDi area of Manhattan located at 15 William Street.

With a combined square footage of approximately 3400SF, each of the two adjacent penthouses boasts 2BR and 2.5 Baths but can be combined into a customizable layout up to 5 bedrooms. If the units are sold as a combination <http://www.platinumpropertiesnyc.com/15-william-street-ph23> the listed price is \$8,995,000. Penthouse <http://www.platinumpropertiesnyc.com/15-william-street-ph2> is 1675 sq. ft. with outdoor space and is priced at \$4,495,000 and Penthouse 3 <http://www.platinumpropertiesnyc.com/15-william-street-ph3> is 1725 sq. ft. with outdoor space and on market for \$4,995,000 if sold separately. The seller of both units is the same, so a combination sale can be easily orchestrated.

Both of the penthouses offer high ceilings, modern and clean finishes, along with outdoor space. The combination of the two would yield a 3500SF Penthouse with 2 outdoor spaces totaling over 650SF. In the combined apartment, the purchaser would have north, south, east, and west views and would capture the Hudson River, New York Harbor, East River, and multiple of New York's most iconic landmarks including 1 World Trade Center, the Statue of Liberty, as well as the Brooklyn Bridge.

The units are being represented by [Khashy Eyn](#), chief executive officer of Platinum Properties, along with firm President, Daniel Hedaya.

"These are the two best apartments in one of the Financial District's most sought after condominium projects. The offering gives a purchaser the ability to buy both apartments and keep them separate or combine them into, what could be, the FiDi's top Penthouse apartment," explains Khashy Eyn.
