PLATINUM PROPERTIES HOLIDAY PARTY

December 14, Cipriani Wall Street

On Saturday, December 14, 2013, Platinum Properties celebrated the holiday season and its continued success with friends and colleagues at Cipriani Wall Street. Despite Saturday's snow storm, Platinum hosted more than 200 guests. The steadily growing firm, which is known for such notable transactions as the \$13 million sale of a penthouse at 200 Chambers Street and \$25 million sale of the penthouse at Continuum Miami, had a lot to celebrate in 2013. Platinum quadrupled its exclusive listings they represent when compared to last year. Additionally, the firm has seen the overall dollar value of their exclusive listings increase threefold as the firm's focus on representing premiere properties expands.
