Residential brokers and special guests turned out in droves for the grand opening celebration at Toren, Downtown Brooklyn's newly completed, 38-story condominium tower. Architecture students from nearby Pratt University treated over 500 guests to guided tours of the building's amenity spaces, and the party got into full swing in the duplex penthouse, where guests danced to music by Bobby Fortunes. Kliegerman, executive director of development marketing, Halstead Property Development Marketing; Roberta Benzilio, executive director of sales, Brooklyn, Halstead Property; and Donald Capoccia, partner, BFC Partners
