## The Real Deal on the town...

*TRD hobnobs at CREW, Fox Residential and Core parties and at "The Fockers" premiere*

**By Amy Tennery**

This week was a whirlwind of shindigs for *The Real Deal*. We partied down with New York Commercial Real Estate Women, Fox Residential, Platinum Properties and Core. Oh, and a certain big guy at *The Real Deal* also rubbed shoulders with real estate pros and celebrities at the New York premiere of "Little Fockers." Read on and check out the slide show above to see just how we celebrated the holidays this week.

**TRD ON THE TOWN**

-- **Khashy Eyn**, president and CEO of Platinum, said he predicts a booming year for residential activity in Midtown West in 2011, but said he's not quite so confident about Harlem, due to over-development, he said.

-- COO **Dezireh Eyn**, spilled the beans on growing up with her brother, Khashy. She says there were plenty of boys who were too scared to pick her up for dates because they knew Khashy had her back.
